

Merry Christmas & Happy New Year 2019 Family Newsletter

Another quiet year of retirement. Lots of family stuff but all good here. Big year for Elaine, she turns 70 on Christmas Day!

Our kids and grandkids all doing well. Josh, Liz & Elle have sold their Atlanta home and are moving back to Braselton area. Meg, Brian and kids (Grady, Keira, and Dean) are settled in Buford and all doing well. Kirs, Dave and kids (Ally and Andrew) also doing well and still in Cumming.

Elaine and I spend lots of time watching our grandkids in sports and other activities. Saw Elle golfing in Jekyell Island, San Diego and Augusta this year (Elle golfing on TV at Augusta). Dean and Grady with tennis, Keira cheerleading, Andrew playing ice hockey and Ally running were also seen.

Lots of family visits to our Fernandina home and to Marco. And of course us to Atlanta.

Elaine and I had some travel this year besides Atlanta & Marco. Enjoyed Southern California including Catalina Island, Santa Monica and lots of small coastal towns. Very nice visits to summer Chicago and fall New Orleans.
